

Extreme Reading!

During our summer term we are excited to announce our Extreme Reading challenge. Extreme reading is all about reading in unconventional or surprising locations or situations. The goal is to create a buzz around reading, showing pupils that books can be enjoyed anytime, anywhere – whether you're upside down on a sofa, perched in a tree, or balancing on a beam!

Extreme reading adds an element of excitement to reading, motivating even reluctant readers. If children are interested and engaged in reading, they will be more likely to develop their literacy skills. Extreme reading also helps to boost creativity by thinking of fun and unusual places to enjoy books.

For each week of this half term we are challenging children to find an extreme place to read. Your child can then send photos on seesaw to the class teacher. Each week the class teacher will choose the most creative photo and it will be shown as extreme reader of the week in our Friday assembly!
