

Year 3 – Learning Journey 2

We will be showcasing our work on the following dates:

Friday 13th February

Friday 27th March

Art and Design

Create your own printed artwork. You could use objects such as sponges or even your fingerprints. Choose from the following topics to inspire you:

The Zoo

The Iron Age

Italy

RE

As we begin to think about the journey we are on towards making our First Holy Communion, write a reflective prayer focusing on what we need to ask God for to prepare for our special day.

Science

Carry out a scientific experiment around your home. Gather up metallic household objects and predict whether you think they will be magnetic. Are your predictions correct? Display your findings in a table.

Design and Technology

Create your own 3D model of a famous building.

French

Design and write a birthday card to a family member in French.
Bon Anniversaire!

History

Find out 10 facts about The Bronze Age and The Iron Age and create a poster.

Computing

Create a presentation about a zoo you have visited. What was your favourite animal there and why? Which was the best enclosure? Can you research other zoos around the world? Which would you visit next and why?

Music

Research the term 'Baroque Music'. What does it mean? Can you name 2 famous composers from that time? Do you like the music?

Geography

Design and write a postcard from a city you would most like to visit or your favourite city from outside of the U.K.

PE

Design your own 10 minute keep fit programme. Could you teach the class how to follow it?

Forest School

Create a building featuring pillars using items found in nature.

Themed day

St David's Day – Sunday 1st March.
Write 3–4 sentences explaining who St David was and how he served God as a bishop and monk.
