

Love, Learn, Grow

Class One – Learning Journey 3

We will be showcasing our work on the following dates:

Wednesday 20th May

Wednesday 8th July

Love, Learn, Grow

Art and Design

I am an artist...

Paint a picture of a seascape – try to create the different tones of the water using shades or thickness of paints.

Religion

I am a follower of Jesus...

Research what happened at Pentecost, then create a storyboard about what happened in the upper room.

Science

I am a scientist...

Research some seaside animals or endangered animals. Either write some facts or draw the animals and label them.

Design and Technology

I am a designer...

Create a board game to help our class remember the names of the oceans in our world.

Summer Term

History

I am a historian...

Create your own puppet show that would have been beach entertainment during Victorian times.

Computing

I am a computer whizz...

Being able to use a keyboard is important.

Complete the 2Dos at www.purplemash.com, to help you become better at this.

Music

I am a musician...

Create your own seaside tune or lyrics. Make sure it is sunny and jolly!

Geography

I am a geographer...

Choose a beach from around the world and compare it to Blackpool Beach.

PE

I am a fitness instructor...

Design your own 10 minute keep fit programme.
You could create a video, storyboard and instructions, so others would know how to follow it.

Forest School

I am an adventurer..

During Autumn, we found various minibeasts in our forest school area. Will the same minibeast be around over the next few months?
Keep a log of the different minibeast you can find in your garden over the Summer term.

Themed day

Wednesday 22nd April is Earth Day.

How do you already look after our world, or what could you do to make sure our world is an amazing place to live?
